

# Technical Specification: The Cube

## About us

The Cube is the sister venue to The Phoenix Theatre & Arts Centre, the much-loved local performance and arts space that has served the community of Whitehill & Bordon since 1981. The Cube benefits from all of The Phoenix's experience and links to talent and, like every younger sibling, brings a fresh new twist to proceedings.

## Find Us

The Shed,  
Sergeants Yard,  
Bordon,  
Hampshire.  
GU35 0DJ

## Parking

There is plenty of parking adjacent to The Shed, and in the Parade Square, just north of The Shed, accessed via Budds Lane or the A325 Relief Road.

- Free parking between 6pm-8am every day
- Outside of these hours, the first 2 hours are Free after which parking is charged at £1/hour
- Up to a maximum of £8 per day total charge for parking

## Accessibility

The Cube is fully accessible, with ramps up to a direct entrance from the car park through the centre to The Cube.

## **Stage**

### **Curtains**

- 2 Whaleys 4.5m Curtains on a Tab Track (Curtain Rail) within proscenium arch, controlled by rope on Stage Left.

### **Control Box**

- Control box is behind Centre Stage, this is unfortunately not accessible discreetly during a performance.

### **Stage dimensions**

- The stage is 6m wide and 1.5m deep.

### **Backstage areas**

A small backstage area can be found behind a curtain Stage Left. Access to backstage from the green room is via a corridor.

## **Auditorium**

The Cube sits at the heart of a The Shed, creating a home for Arts & crafts, and creating a creative workspace. The Cubes Auditorium is flexible, to achieve this we use 2m by 1m screens that can be arranged into many different styles of auditorium. Additional seats can be brought out, which used in sync with the screens create a classic proscenium arch theatre space that seats 70 at full capacity.
